The Ultimate Pipe Book Richard Carleton Hacker

Whether you are a new pipe smoker just getting started or an experienced smoker with numerous pipes in your collection, this book is for you. In a writing style that is both entertaining and informative, the author shares his wit and wisdom to give a total view of pipes and pipe smoking. Every chapter is packed with a full, rich mixture of personal anecdotes and valuable information, most of which has never before been published. Starting off with a history of pipe smoking, this all-encompassing book describes how pipes are made, tells how to select, smoke and care for our pipes, discusses women pipe smokers, contains a greatly expanded chapter on pipe collecting, include famous pipe smokers in fact and fiction and concludes with an international glossary of pipemakers, clubs, suppliers and periodicals.
